

STUDENT APPLICATION

CCBC Japan

A Calvary Chapel Bible College Extension Campus in Okinawa

We are grateful to Jesus for your interest in studying at Calvary Chapel Bible College Japan. Through this introductory letter, we hope to give you a better understanding of the program we offer. We'd like to get to know you better, also, through this application!

From the beginning, we want you to know that your study in Japan will not be easy. You must be prepared spiritually, physically, and mentally because you will be serving on the front lines. You will experience "hands on" missionary work, along with its headaches and triumphs. All we can promise you are difficulties, loneliness, frustration, homesickness, frequent enemy attacks and culture shock challenges common to missionaries. God promises fullness of joy and perfect peace, however, to those whose mind is stayed on Him.

The Lord has given CCBC Japan the specific task of training national and international students in the Word and sending them out to establish Bible teaching fellowships throughout Japan. Because of the nature of this ministry, we ask that you remain single-minded in your involvement in Asia. It will not be a vacation. Worldly temptation is great, so we would discourage those struggling with drug, alcohol and sexual addictions from applying. Your testimony is vital to the effectiveness among the people you are ministering to. Keep Paul's admonition from 2 Timothy 2:3-4 in mind: *"Endure hardships with us like a good soldier of Christ Jesus. No one serving as a soldier gets involved in civilian affairs - he wants to please his commanding officer."*
