# TEACHING SITES

AT **CCBC JAPAN** WE ARE FOCUSED ON TEACHING **THE WORD OF GOD** AND PREPARING YOU FOR **GOD'S MINISTRY**. OUR TEACHING SITES ARE UNLIKE ANY OTHER CAMPUS. YOU WILL SPEND HALF OF YOUR SEMESTER IN **OKINAWA** AND THE OTHER HALF IN **TOKYO**, EXPERIENCING **ALL OF JAPAN**.

## OKINAWA 沖縄

The beautiful island of Okinawa is home to some of the most beautiful beaches in the world. Located in the Ryukyu Islands just south of mainland Japan, it has a rich history and culture. Summer months are filled with blue skies, swimming, and warm weather. Ginowan city, where students live and study, is among local Okinawans who are friendly and welcoming. At CCBC Japan, you will spend seven and a half life-changing weeks in Okinawa, immersed in the Word of God.

## TOKYO 東京

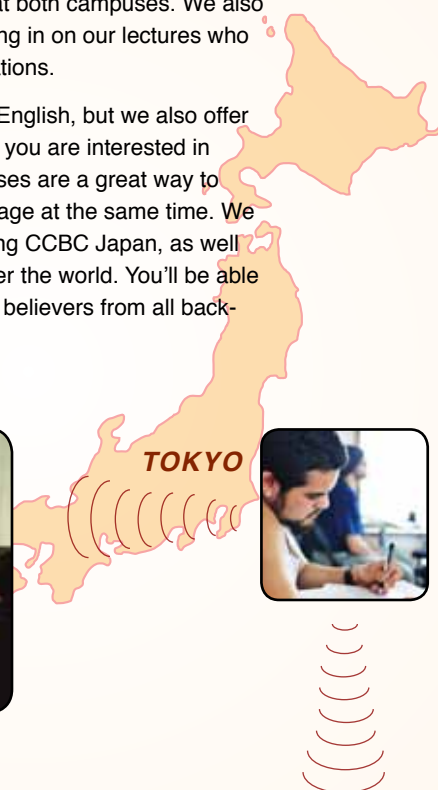

Tokyo is the largest metropolitan area in the world; home to famous neighborhoods such as Shinjuku and Shibuya. Sushi and ramen are reasonable and delicious. During the spring season, cherry blossoms can be seen all over the city. The suburb neighborhood of Fuchū, where students live, is pleasantly calm, yet a quick train ride can have you seeing the sights of downtown Tokyo. You'll spend seven and a half weeks growing in your walk with Jesus Christ while experiencing urban life in Tokyo.

# IN THE CLASSROOM

At CCBC Japan, we offer 15 week full-credit courses. Classes are taught with the addition of live stream services, so no matter which location you are, you'll still be able to take any of the classes offered during the semester. There's plenty of interaction with your instructor and with students at both campuses. We also have many pastors and teachers sharing in on our lectures who are streamed in from their present locations.

A majority of our classes are taught in English, but we also offer bilingual and Japanese only classes. If you are interested in learning Japanese, bilingual Bible classes are a great way to study the Word and study a new language at the same time. We have many Japanese students attending CCBC Japan, as well as those from different countries all over the world. You'll be able to fellowship and build friendships with believers from all backgrounds and cultures.

# CAMPUS LIFE

At the Okinawa campus, there is the Koinonia Cafe (*see right*), run by staff members and interns at Calvary Chapel in Ginowan city. It is a great place to study and fellowship during the week. There are also days set aside every week for students to tour and explore the island. Many ministry opportunities are available such as in serving at Calvary Chapel churches on the island and in doing outreaches on Friday nights.

Dorms, classrooms, and study areas are all in one building at CCBC Tokyo (*see below left*). The rooftop has a gorgeous view of Japan's famous Mt. Fuji on a clear day. Students will be able to explore on guided sightseeing days led by interns at CCBC Tokyo. There are many convenience stores nearby and it's a two minute walk to the nearest train station. Beautiful parks can be explored by foot or bicycle (provided by the campus). Ministry opportunities consist in serving at Calvary Chapels in the area and also in helping and loving on local kids at *We Go Eigo Fuchū*, a Christian International Kindergarten and English Conversation School.

Meals, wi-fi, and other accommodations are available at both campuses.
